We are able to customise the perspex of our LED single-sided emergency exit sign to suit all customer requirements - if the two stock items do not suit the customers needs.

Features

- Emergency lighting duration 2 hours.
- Test button provided.
- The Emergency Exit Sign range of luminaries are ideally suited as stand-alone self contained single-sided, surface-mount fittings in new or existing buildings.

Benefits

- The LED arrangement provides a uniform illumination of the signs/legends with a high level of emergency illumination at floor level, or at the threshold of an exit door.

Applications

Inside Buildings

Warranty

3 year warranty

NOTE: Products must be installed by a qualified electrician
